The search results show a number of hits for Turning, we will look at a few of them in the next slide.

timescapes
An ESRC Qualitative Longitudinal Study

The Family Lives and Turning Points Exhibition was brought together in collaboration between the BBC Memoryshare and the ESRC Festival of Social Science week.

The primary aim of the exhibition was to gather narratives from the general public about the turning points in their lives.

The exhibition has taken place in London, Shoreditch and Leeds University, Parkinson Hall.

Click on the thumbnails or the audio buttons to see the full size images or play the clips.
